SPRAY TAN

- SPRAY TAN..... £24
- 2 x people £20 per person
- 3 x people £17 per person

We use different brands to ensure suitability for every client. Spray tan has 6 different shade ranges. It depends on coats applied.

If you are scared to look too dark - we can only use 1 coat spray. Vice versa - we can apply up to 3 coats to ensure your desired darkness is reached. Please make sure you moisturise and exfoliate day before your spray tanning session.

On the day of your tan please dont apply any deodorant, make up, perfume, or creams that contain fragrance. On the day wear loose clothing, ideally no underwear, as tight clothing will rub it off when getting home after the appointment.
